

PT18G

PNEUMATIC BRAD NAILER

Works with:

18GA
BRAD NAILS

5/8" - 2"

Arrow's Pneumatic Brad Nailer is the perfect companion for most small trim and interior molding work. Made of lightweight die-cast aluminum, it's easy to handle. A low nail indicator window lets users know when the side-load magazine is nearing empty.

Ideal for:

Small trim,
interior molding,
baseboards, paneling, crafts

18GA
BRAD NAIL

Features:

- Tool-less jam clearing nose
- Contact safety for safe firing
- Overmold grip for comfort during extended use
- Low nail indicator window
- Max Pressure: 120PSI
